All Californians deserve to be treated fairly by their government. During the time I have served on the Board of Equalization, my actions and votes on all tax matters that have come before the Board demonstrate a strong commitment to fairness and honesty. My experience in making careful decisions with your tax dollars, my strong sense of fairness in interpreting California's tax laws, and my unblemished record of integrity and honesty make me your best choice to continue serving and providing leadership as the First District Member on the Board of Equalization. I will oppose special tax breaks for the wealthy. I will be a voice for all working persons. As your guardian of the state's revenues, my objective is to ensure California has the resources needed to provide a bright future and opportunities for all of us and for generations to come ---- this means quality schools in every community, access to health care for every Californian, a pristine natural environment, affordable housing, adequate transportation systems, and safe neighborhoods. I am proud to have earned the endorsements of a broad array of organizations that represent the interests of teachers, nurses, firefighters, peace officers, workers, women, students, and taxpayers --- all of whom recognize my financial expertise and commitment to protecting the interests of hardworking Californians. I would be honored to continue serving you on the Board of Equalization.
